

Welcome to 6th grade and to the Williams, Sandidge, and Yarini team!

As your child's teachers, we commit to:

- Work to the best of our abilities to instruct your child to ensure they will have a thorough understanding of the curriculum.
- Keep you informed by communicating through email, websites, texts, conferences, and phone calls so that you will be aware when your child has done something wonderful or something that could be improved upon.
- Show our students how to achieve success.
- Offer multiple opportunities for your child to receive additional help outside of class.

As parents, we ask that you commit to:

- Talk to your child about what happens at school every day.
- Show a genuine interest in your child's education by encouraging them to read daily for 30 minutes and to complete all homework assignments and projects.
- Sign up for the parent portal to monitor your child's grades and progress.
- Check our homework calendars daily to be informed of what is expected of your child.

At McConnell Middle School, we all strive to be TIGERS. Tigers:

Can be **T** rusted at all times

Have **I** ntegrity

Show academic **G** rowth

Show **E** ffort

And demonstrate **R** espect to everyone.

Help days are offered most weeks. Math help day is every Tuesday and all other subjects on Wednesdays. All times are 8:15 -9:00. Teachers may offer additional times and will give your child a pass.

Let's work together to make this a great year!
